To Whom It May Concern:

The Redford Township Unicycle Club, a member club of the Unicycling Society of America, Inc., has rented the outdoor track at Saline Middle School in Michigan twice in the past few years. In 2009 and again in 2012 the Unicycling Society of America, Inc., hosted their National Unicycling Competition and Convention in Saline. Both times we were assured that no metal parts of unicycles would touch the surface of the track. In 2009 our synthetic track was not harmed at all. In 2012 our track, which had been freshly resurfaced prior to their event, again was not harmed.

Sincerely,
